

COLLINGWOOD BALL HOCKEY 2021 SEASON UPDATE

March 1, 2021

Dear ball hockey families,

I have made the decision that with the uncertainty of Covid-19, Collingwood Ball Hockey **will not** be having a season in 2021. I wanted to get this information out to everyone as early as possible to better allow you to plan your summer schedules.

Based on the current status of COVID-19, vaccine rollout and lockdowns, a season just won't be feasible this summer. There was the discussion of smaller team sizes, half rink games, etc but unfortunately with smaller team sizes and players missing games, it realistically just won't work. There is also the unknown with when the league could be potentially shut down at anytime due to covid restrictions. It has been suggested to play outdoors instead at the outdoor rink but unfortunately the outdoor rink doesn't allow me to deliver the type of ball hockey product that you have come to expect over the years.

Collingwood Ball Hockey is looking forward to putting all of this behind us and getting back on the floor, hopefully in 2022!

Stay Safe everyone

All the best,

Greg Weeks
